Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Wednesday 25 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry day with some spells of sunshine.

Today:
A dry day across the region with some good sunny spells developing, especially in the west. Breezy at times across eastern coastal areas, and cloud increasing here towards evening. Maximum temperature 23 deg C (73 deg F).

Tonight:
Low cloud and mist will spread from the northeast this evening and overnight. Patchy drizzle developing here and there, but cloud tending to break again in the east by morning. Minimum temperature 12 deg C (54 deg F).

Thursday:
After a cloudy start across many parts, brighter conditions with some sunny spells will spread east during the day. Breezy and cooler around eastern coasts. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Bright or sunny spells and a few light showers through Friday and Saturday. Sunday mainly dry with some sunny spells. Breezy and feeling rather cool in eastern coastal areas.
